Protection Plan

Protect Yourself from the Repair Costs Caused by Road Hazards

With our Tire & Wheel Protection Plan, you'll have peace of mind knowing your tires and/or wheels are covered in the event they are damaged as a result of a road hazard, such as nails, screws, glass, potholes and cracks on the road.

Tire Plan

The Tire Plan covers the repair, or, if unrepairable, the replacement of tires damaged by road hazards. Coverage includes mounting, balancing, wheel weights, valve stems, patches/patch plugs and taxes required to complete a covered repair.

Tire & Wheel Plan

In addition to the tire coverage, the Tire & Wheel Plan covers the repair or replacement of wheels damaged by road hazards.

Tire & Wheel Plan with Cosmetic Repair

The Tire & Wheel Plan with Cosmetic Repair covers the tires, wheels and appearance of wheels damaged by a road hazard. Coverage includes the repair of abrasions, scuffs, scratches or scrapes to wheels that are caused by a road hazard.

Additional Benefits

Towing and Flat Tire Allowance

We will reimburse you up to \$100 per incident for towing assistance or flat tire replacement expenses incurred due to damage to tire(s) and/or wheel(s) from a road hazard. This allowance comprises towing service and flat tire replacement using the vehicle's inflated spare. You must make your own arrangements for towing and flat tire replacement assistance.

Substitute Transportation

We will reimburse you up to \$50 per day, for a maximum of 2 days per occurrence, for expenses incurred to rent a substitute vehicle from a licensed rental car agency or for public or private commercial transportation. We will reimburse you for one day of substitute transportation expenses if it takes a repair facility 8 or more hours to complete a covered repair, and 2 days if the vehicle is kept overnight to complete a covered repair.

Limits and exclusions

Coverage is subject to limits and exclusions. Under some circumstances, a tire or wheel may not be covered (for example, manufacturer's defects, damage caused by collision with a curb, and dry rot). Please see the service contract for details.
